Profile

Strategic leadership and executive excellence. With over ten years of executive experience, I have led organizations through digital transformation, market expansion, and sustainable growth initiatives.

Executive experience

President — International Federation for Economic Development (IFED)

Jan 2024 – Present Full-time Zug, Switzerland (on-site)

Welcome to the International Federation for Economic Development (IFED)—a leading global institution dedicated to advancing sustainable economic growth and fostering the development of entrepreneurial ecosystems worldwide. IFED works closely with national governments, multilateral organizations, and leading private-sector stakeholders to drive strategic investments and catalyze economic transformation across diverse regions.

Focus: Economic development; international relations; strategic investment.

Member of the Board of Directors — AC Attractive Corporation AG

Jan 2022 – Present Full-time Zug, Switzerland

Helping companies generate more profit by optimizing processes. A resourceful, action-oriented organization based in Zug, Switzerland, focused on making every moment count and preparing for what comes next. As a cosmopolitan service provider, the mandate is to see possibilities beyond what is currently known, accepted, or obvious—and to help companies reach their full potential. Swiss quality, value creation, and satisfied clients are central to how the firm works.

Focus: Process optimization; governance; client value.

Managing Partner — Vibrations Film

Oct 2018 – Present Self-employed Zurich, Switzerland

Vibrations is a content creation agency based in Zurich. We understand brands and companies on an emotional level and bring them to life for your audiences through audiovisual storytelling in digital form.

Focus: Content creation; film and production; brand storytelling.
